Statement 1 Form RRF-1, Part B, Line 9 Restricted Net Assets

It is management's opinion that all donor restrictions have been satisfied for grants and contributions that have either been released from net assets with donor restrictions or recorded directly to net assets without donor restrictions. As of December 31, 2019, the Organization has negative unrestricted net assets of \$295,865. This is attributable to operating losses occurring in 2016 and 2017. The Organization anticipates eliminating the negative unrestricted net asset balance through a combination of the following activities: 1) Taproot is committed to ensuring a positive unrestricted margin over a three-year period, which will address the current situation regarding a negative net asset balance reflected in the 2019 audited financial statements. 2) Taproot plans to complete its work of doing a full cost/price analysis for all organizational programming and the subsequent implementation of recommended updates, resulting in more appropriate margins per offering across the organization?s programming. 3) Taproot plans to continue an ongoing revenue review and expense adjustments throughout the fiscal year as necessary, with the goal of resulting in a positive margin for the Organization.
